The New Castilian Line of Kayline Lighting Decorations

KAYLINE has produced a new line of authentic Spanish fixtures called "The Castilian."

These new lighting decorations are genuine Kayline quality in every respect—beautiful and artistic designs, solid brass, fine permanent finishes.

THE VOGUE OF SPANISH STYLE

The present popularity of Spanish architecture, Spanish furniture—of everything to which Spanish art can be applied—has created a large demand for this Castilian Line.

This Spanish vogue and these low prices for genuine Kayline fixtures open up a profitable new market for you. One easy to cultivate.

CASTILIAN FINISHES

SPANISH IRON (as illustrated in color)—No. 252—Rich effect in hand-wrought old iron, gold highlight and inlaid maroon and blue.

SPANISH GOLD—No. 253—Spanish Iron with gold relief, inlaid maroon and blue.

MARBELITE—No. 254—A veined onyx suggestive of old ivory, inlaid maroon and blue.
